

# URGENCY OF THE HOUR FOR USA ALIYAH

It's time to seek His face for His instructions and to draw more into that place of "abiding!"

“ For this is what the Sovereign Lord says: ‘I myself will search for my sheep and look after them. As a shepherd looks after his scattered flock when he is with them, so I will look after my sheep. I will rescue them from all the places where they were scattered on a day of clouds and darkness. I will bring them out from the nations...and I will bring them into their own land. I will pasture them on the mountains of Israel, in the ravines and in all the settlements in the land.’ ”

Ezek. 34:11-13 (NIV)

**T**his scripture makes clear how much the Lord Himself is involved in Aliyah. As we in Ebenezer USA watch and pray for multitudes of Jewish people here to return to their Promised Land, more than ever we know we are nothing apart from Him and His leading our every move. Ebenezer leadership is responding to this great urgency to seek His face for His instructions and to draw more into that place of “abiding!”

In Jerusalem at our 20<sup>th</sup> Anniversary Thanksgiving Conference, we rejoiced for the 130,000 *olim* (immigrants) from the former Soviet Union (fSU) now home in Israel. We also looked ahead to what the Lord will do soon in our midst in the USA. We prayed to have seeing eyes and hearing ears so we would not miss His purposes right here—the largest Jewish community outside of Israel.

For a year and a half we concentrated prayer on opening the Aliyah highways from New York Harbor where so many thousands of Jewish people entered the

US – most of them fleeing persecution. Now the Lord desires intense prayer for them in their various communities across this nation to be stirred by His call to return home. We will have to trust the Lord to show us how to intercede for American Jewry. He will guide us to the right way of praying for those who live next door or in the next suburb.

The prophetic Scriptures are the foundation—more relevant than the evening news. We must be settled in our hearts that God’s call for all Jewish people to go home is true. Once that fact is deep within your spirit, please cry out to the Lord for those in your area—that they hear His voice and respond by preparing to return to the Land He has given them through an everlasting covenant. Intercession is the most necessary first step!

We do not visit and share with them the need to go, as we do in the fSU. Every *olim* we have helped from the U.S. has come to

us or been referred to us by the Jewish Agency.

To equip you for further understanding the work of Aliyah, we are offering wonderful teaching tools (please see below) and please look over the options. Ask the Lord which of these He would have you watch, read or study. We are not charging anything. If you can make a donation, that would be wonderful, but we are more interested in your growing in conviction at this crucial moment for Aliyah from America. Please feel free to order enough to send to those among your friends and family—particularly the next generation—who would use this material.

If you would like Ebenezer to send your pastor an introductory packet, please contact us.
