

Dear Friends,

"I will gather you from the peoples, assemble you from the countries where you have been scattered, and I will give you the Land of Israel." (Ezek. 11:17)

As Christians, what a glorious opportunity we have been given by our Lord, to serve and partner with Him "for such a time as this" by helping our Jewish brothers and sisters return to Israel, the land of their forefathers.

Our ongoing humanitarian aid work assists and provides the Jewish people with practical needs, but most importantly, **it is often the key that opens the door for His people to make Aliyah.** This provides an opportunity in Jewish communities for our team of workers and volunteers to share with Jewish families the Scriptures that reveal God's eternal plan, His promises, for His chosen people.

Right now we are asking you to please pray and consider giving sacrificially over and above your usual giving and help us raise \$15,000 for a critical humanitarian aid project: the purchase of winter shoes for needy Jewish children living in the area of Novosibirsk, Eastern Siberia. Winter in Siberia is in full force from November until well into April, and we all know how dangerously cold it gets: -40°F!

Please take this opportunity to be a part of the miracle and blessing as we send our two teams from the USA this fall to help with the distribution of shoes and to share the love of God with His people. This work would not be possible without you, our faithful supporters, who have consistently supported the work of this ministry in prayer and through your faithful commitment to give financially. The Lord loves and blesses His faithful servants.

Any donations received over and above our goal of \$15,000 will be deposited into our former Soviet Union Aliyah fund.

For His glory,

Debra Minotti
